

Powell Valley NA Information Meeting

12.15.25

Black Rock Coffee Bar **1290 NE Burnside Rd Gresham, OR 97030**

Present:

- stella Butler, Vice Pres,
- Joe Lagerstrom Past President,
- Jeff Muceus Past President,
- Jennifer Kaiser, East Gresham Park Chairman

Jennifer Kaiser agreed to continue serving as Committee Chair for the East Gresham Park

Stella Butler, Joe Lagerstrom and Jeff Muceus have agreed to serve in positions if needed.

The discussions circled around Mark DiOrio who previously expressed interest in serving as Vice President. Joe will contact Mark to confirm he's still interested and a good candidate for VP.

Anne Basden Dunlop has expressed interest in the NA. We could ask her about a board position. She has reached out to us through Facebook Powell Valley Neighborhood Association.

Janet Armstrong has expressed willingness in serving as Land Use Chair if no one steps up.

Keren Chapelle Standley previously expressed interest in serving on the board. Discussion circulated as to whether she would be willing to serve as Secretary.

An unanswered question was if Karen Pyle would be willing to continue serving as Treasure.

General consensus was that we would like to see new neighbors willing to serve on the board rather than the usual. Past board members are willing to step up if needed.

Other discussions were the location for the next annual meeting and elections to be held January 29th. Stella had contacted Bradley Barker, Community Relations Director at Solista as a possible location. Jeff agreed to approach Gordon Russel as another possibility. Solista has limited parking and the library is not in our PVNA borders.

Topics for speakers around crime statistics, permit department on all the building activities going on in Gresham.

Stella suggested Joe Lagerstrom and Jeff Muceus who both have excellent technical computer skills on our google gmail and Chimp account to have ongoing access to those accounts long term so that we never loose access ability. It was recommended we get board approval first.

Jeff demonstrated how efficient using a Scanner Pro app on his iphone can be for copying minutes, sign in sheets and then sharing with others by email.
