**Notes:**

**A Grades:**

- Eligible for COLA in alignment with either the GU or MSC salary schedule based upon where the classification would be if working 20 or more hours per week
- Eligible for merit increase if employed for longer than 12 months
- Not eligible for PTO or insurance benefits due to working less than 20 hours per week
- A01 is set based on approximately 60% of the new hire rate for the position for which the employee is apprenticing

**O Grades:**

- Eligible for COLA in alignment with the GU salary schedule
- Eligible for merit increase if employed for longer than 12 months
- Not eligible for PTO or insurance benefits due to working less than 20 hours per week

**M Grades:**

- Eligible for COLA in alignment with the MSC salary schedule
- Eligible for merit increase if employed for longer than 12 months
- Not eligible for PTO or insurance benefits due to working less than 20 hours per week

**T Grades:**

- Eligible for COLA in alignment with either MSC or GU based upon where the classification would be if not performing work on a temporary or seasonal basis
- T02 & T03 are set at Oregon minimum wage, effective 7/1/23 = \$15.95
- T05 & T08 are aligned with GU classifications and are eligible for GU COLA.
- Not eligible for merit increase due to work assignment being for less than 6 months
- Not eligible for PTO
- Eligible for medical insurance benefits for employee and child dependents if working 30 or more hours per week, unless designated as seasonal work

**W Grades:**

- W18 is set at the maximum of the IAFF Firefighter F18 salary grade
- W22 is set at the maximum of the IAFF Fire Captain F22 salary grade
- W24 is set at the maximum of the IAFF Fire Battalion Chief F24 salary grade
- Eligible for COLA in alignment with IAFF
- Retain eligibility for all insurance benefits previously in place except disability and HRA VEBA contributions
- Not eligible for vacation accruals, wellness hours, or personal days
- See CTE chart housed in HR for additional details

\* Note: If any position drops below 20 hours/week, it will be placed into the appropriate Non-Represented O01-O19 pay grade (if previously a GU position) and be eligible for a COLA in alignment with GU or placed into the appropriate Non-Represented M01-M31 pay grade (if previously an MSC position) and be eligible for a COLA in alignment with MSC. If the position is employed for longer than 12 months it will be eligible for an annual merit increase.
