**2. Open Public Testimony**

**Chair Travis Stovall** read the instructions.

**Johntae Ivory, Recording Secretary**, reported that four written testimonies were submitted and two public testimonies to speak today.

**Jason Naumann, Co-Founder of Rockwood Common**, testified in support of the Storefront Improvement Grant Program's goals but urged the Commission to include nonprofit businesses, emphasizing that nonprofits are equally invested in the local economy, maintain buildings, and reinvest all revenue in the public interest. He highlighted Rockwood Common's planned \$117,000 investment to revitalize a vacant Rockwood property into a community hub and cautioned that excluding nonprofits would set a long-term precedent that diverts public funds away from essential community-serving organizations.

**Celso Naranjo, Chair of the Gresham Redevelopment Commission Advisory Committee**, stated that the Storefront Improvement Grant reflects strong collaboration between staff and the Committee. Following public input about nonprofit exclusion, the Advisory Committee unanimously recommends that nonprofits be included in the program.

**C. Consent Agenda - 5 Minutes**

Commission actions are taken in one motion on Consent Agenda items; however, Commission members can remove items from the Consent Agenda to be addressed separately.

**2. Resolution 56: Adopting Guidelines for the Rockwood-West Gresham Urban Renewal Area Storefront Improvement Grant Program.**

Move to approve Resolution No. 56 adopting guidelines for the Storefront Improvement Grant Program and directing the Executive Director to proceed with implementation.

**Commissioner Brown** supports starting the program as it is today and in six months review for possible updates to the guidelines.

**Chair Stovall** is in support of adding nonprofits to the program.

**Commissioner Keathley** supports starting the program as it is today and would like to get the program started.

**Commissioner Piazza** expressed support for moving forward with the proposal as written for the six-month period. She stated the program should be launched promptly and that nonprofit funding considerations should be reviewed later with clearer criteria. She asked whether nonprofit-owned or government buildings were eligible under current guidelines.

**Commissioner Gladfelter** stated support for nonprofits but agreed that the current proposal should be adopted as written due to unresolved questions around eligibility criteria and funding allocation.

**Chair Stovall** expressed concern about the \$200,000 budget, questioning whether it could be spent within six months and whether additional funds could be allocated, noting uncertainty about program uptake.

**Mr. Douglas** explained that the original \$200,000 allocation was set early in the fiscal year with the expectation of strong uptake, but due to lost time and staffing capacity, fully pending that amount this year may be difficult. Future funding levels can be revisited through the fiscal year 2026–27 budget process and beyond.

**Chair Stovall** expressed uncertainty about what would be learned during a six-month period given prior experience administering similar programs. He emphasized the importance of nonprofits in the community and suggested carving out funding for nonprofit entities interested in improving their storefronts.

**Commissioner Hinton** acknowledged the importance of nonprofits but noted they already have access to many funding sources. He stated this program was intended specifically for businesses and expressed concern that nonprofits could dilute the program's impact. He supported adopting the program as proposed.

**Commissioner Gladfelter** clarified that she was not advocating for waiting six months but rather for adopting the program now and concurrently working on potential nonprofit inclusion criteria.

**Chair Stovall** called for a motion on the Consent Agenda C-2.

Motion was made by **Commissioner Hinton** and seconded by **Commissioner Piazza** to APPROVE CONSENT AGENDA ITEM C-2.

**Chair Stovall** called for the vote. The motions passed as follows:

Commission Chair Travis Stovall	NO
Commissioner Kayla Brown	YES
Commissioner Janine Gladfelter	NO
Commissioner Jerry Hinton	YES
Commissioner Cathy Keathley	YES
Commissioner Eddy Morales	ABSENT
Commissioner Sue Piazza	YES

**Presentation presented by:**

**Justin Douglas, GRDC Executive Director**

**Kerry Hughes, COO and CIO of HMS Developments**

**Emily Wilson, BORA Architects**

**Joe McFerrin, POIC President**

**Mr. Douglas** thanked **Chair Stovall** and the Commissioners and introduced the POIC development team. **Mr. Hughes** provided a project update, reporting the team is at the 50% Design Development phase and ahead of schedule, with the overall program largely unchanged. He reviewed completed milestones under the DDA, noted coordination with the City on public use agreements and easements, and emphasized that upcoming design review approval will strengthen fundraising and reduce project risk before introducing Emily Wilson for the design presentation.

**Ms. Wilson** presented an overview of the project design, noting the building program remains consistent and includes Rosemary Anderson Prep, a gymnasium, POIC offices, ground-floor retail, an innovation lab, and a health clinic. She reviewed site plans, plaza design, and interior spaces, highlighting transparency, daylighting, and functional layouts. She also presented building massing and exterior elevations, emphasizing softened corners, pedestrian-scale design, landscaping, and façade articulation that reflects POIC's mission and enhances the Burnside and MAX corridor streetscape.

**Mr. McFerrin** expressed enthusiasm for the project and appreciation for staff support. He provided a fundraising update, noting ongoing efforts across philanthropic, public, and corporate funding sources, acknowledging progress while emphasizing that significant resources are still needed. He highlighted POIC's post-COVID operational right-sizing and confidence in the organization's ability to deliver the project, describing it as not only a school but a workforce training and community center that will serve diverse populations in Gresham.

**Commissioner Keathley** asked about the tipping point between design investment and fundraising and when a go/no-go decision would be made.

**Mr. Hughes** stated the project is funded through a pre-development grant and outside capital, with over \$500,000 invested to date. He explained the next steps include land use approval, followed by fundraising, with full financing required before construction. He also noted current market challenges and emphasized the project's community benefits.

**Commissioner Piazza** asked whether full financing would need to be secured by the projected February 26, 2027, closing date.

**Mr. Hughes** confirmed that funding would need to be in place at closing.

**Commissioner Hinton** complimented the project design and asked about the total project cost.

**Mr. Hughes** project team estimated the cost in the mid-\$40 million range.

Resolution 57: Amending the Bylaws of the Gresham Redevelopment Commission  
Advisory Committee

---

Meeting Date: February 17, 2026  
Service Area: Urban Renewal

Staff Member: Justin Douglas  
Agenda Item Number: C-2

---

**Requested Council Action and Suggested Motion:**

Move to approve Resolution No. 57 amending the bylaws of the Gresham Redevelopment Commission (GRDC) Advisory Committee to 1. Rename it the Rockwood/West Gresham Advisory Committee, and 2. Amend Section 2 to remove the committee's role serving as the seven appointed members of the GRDC Budget Committee, as that role will now be performed by the City of Gresham Finance Committee.

---

**Public Purpose, Community Outcome, and Strategic Plan Alignment:**

The public purpose of this action is to establish and clarify the role that the Advisory Committee and Finance Committee serve on behalf of the City of Gresham and the GRDC.

---

**Background:**

On August 5, 2003, City Council through Ordinance No. 1573 approved the Rockwood-West Gresham Urban Renewal Plan. Gresham Revised Code Article 2.24.010 (4) authorized the Gresham Redevelopment Commission (GRDC) to adopt by-laws to govern its procedures. Accordingly, on February 26, 2004, through Resolution No. 2, the GRDC adopted its By-Laws, including Article IV, Section 1, which provides for the establishment of standing, special, and advisory committees to provide recommendations and reports to the GRDC. In accordance with State law requiring the establishment of a Budget Committee, on April 29, 2004, the GRDC adopted Resolution No. 3, establishing the GRDC Advisory Committee, and through Resolution No. 4, which was subsequently amended by Resolution No. 45 on January 15, 2019, empowered the GRDC Advisory Committee's role as part of the GRDC Budget Committee.

For the past two decades, the GRDC Advisory Committee has served as the citizen members of the Budget Committee for the Gresham Redevelopment Commission. With the September 2, 2025, City Council adoption of the Gresham Downtown/Civic Urban Renewal Plan, the Gresham Redevelopment Commission Budget will now include both plan areas and funds.

Chapter 2.40.020 of Gresham Revised Code establishes the purpose, powers, and duties of the Finance Committee to “serve as the seven members of the Gresham Budget Committee as required by city charter.” On February 3, 2026, City Council voted to amend Gresham Revised Code such that the Finance Committee will serve as the citizen members of the GRDC Budget Committee that will include the Rockwood-West Gresham Urban Renewal Plan, the Gresham Downtown/Civic Urban Renewal Plan, and any future urban renewal plans.

With the adoption of the Gresham Downtown/Civic Urban Renewal Plan, staff will be seeking nominations for community members to serve on an advisory committee specific to the new plan area and to be known as the Downtown/Civic Advisory Committee. In order to alleviate any confusion with the existing committee, staff are proposing to rename it to the Rockwood-West Gresham Advisory Committee.

---

**Recommendation and Alternatives:****Recommendation:**

Staff recommends that the Commission move to approve Resolution No. 57, which would amend advisory committee bylaws and approve Resolution No. 58, which would appoint the Finance Committee as the citizen members of the GRDC Budget Committee.

**Alternatives:**

The Commission could reject the proposals, which would leave bylaws as is and in conflict with recently amended Gresham Revised Code.

---

**Budget/Financial Impact:**

There are no budget or financial impacts related to this action.

---

**Public Involvement:**

At the January 14, 2026, GRDC Advisory Committee meeting, staff informed members of the City’s intention to broaden the role of the Finance Committee to serve as the citizen members of the Budget Committee for the GRDC.

---

**Next Steps:**

Should the Commission vote to approve this item, the advisory committee bylaws will be updated in accordance with Gresham Revised Code.

**AGENDA ITEM TYPE:** Report

---

Update on the Downtown/Civic Advisory Committee

---

Meeting Date: February 17, 2026  
Service Area: Urban Renewal

Staff Member: Justin Douglas  
Agenda Item Number: E-1

---

**Requested Council Action and Suggested Motion:**

This item is informational only. Staff will brief the Gresham Redevelopment Commission (GRDC) on membership and timeline considerations for a new Downtown/Civic Advisory Committee.

---

**Public Purpose, Community Outcome, and Strategic Plan Alignment:**

The purpose of the Downtown-Civic Advisory Committee is to advise the GRDC on the implementation of the Gresham Downtown-Civic Urban Renewal Plan (Plan), including, but not limited to the following

- The timing, design, and funding for projects and activities listed in the Plan.
  - Annual or periodic work plans related to implementation of Plan.
  - Minor or major amendments to the Plan.
  - The sponsoring of public events and other activities to gather input and communicate with the community regarding the Plan.
- 

**Background:**

The Plan envisioned the establishment of an advisory committee to assist and advise the GRDC in its work. With the adoption of the Gresham Downtown/Civic Urban Renewal Plan, staff would like to solicit nominations for the GRDC to appoint a new advisory committee (distinct from the advisory committee focused on Rockwood-West Gresham) that would advise staff and the GRDC on projects, programs, and initiatives in the Plan area. The volunteer committee will be comprised of seven community members that shall be appointed by the GRDC Chair with the consent of GRDC. Members of the advisory committee shall be appointed at large. Insofar as possible, candidates who are residents of the Gresham Downtown/Civic area will be prioritized. The term of appointment shall be for a period of three years, coinciding with the fiscal year. Advisory committee meetings shall be subject to requirements of Oregon Public Meetings Law.

The committee shall include an appointed GRDC member serving in an ex-officio position

Staff are proposing the seven members shall generally represent the following constituencies:

1. Business owner
2. Commercial real estate developer
3. Housing developer
4. Commercial property owner
5. Gresham Barlow School District
6. NW Neighborhood Association
7. Historic Downtown Gresham Association

To broaden awareness of the opportunity for community members to submit an application, staff will:

- Add application link to City's job page and advisory committee webpage
- Send an eblast to interested parties email list
- Promote the opportunity through networking and targeted city channels

After the application window closes, staff will interview and evaluate qualified nominations with GRDC Vice Chair Gladfelter and Acting Chair Brown and make a recommendation to Chair Stovall for consideration and then formal appointment by the GRDC at its April 21, 2026, meeting. Should the GRDC appoint Committee members, a schedule for the remainder of 2026 is as follows:

Month	Milestone
February	<b>Update to GRDC</b>
March	Promote openings, seek and evaluate nominations
April	<b>GRDC appoints advisory committee members and approves new committee bylaws</b>
May	Advisory committee kick-off
June	
July	Advisory committee – urban renewal 101
August
