Appendix A2. Intersection Projects

Project Number	Street	At	Description	Recommended Action
1	Stark Street	162nd Avenue	Widen to add eastbound right-turn pocket. Restripe to increase storage for northbound and southbound left-turn pockets. Modify signal to add protected-permitted left-turn phasing on all approaches.	Keep
2	Burnside Street	181st Avenue	Install access control in NE 181st Ave. to block left turns to and from NE Couch St. Restripe southbound left-turn pocket to increase storage.	Keep
3	Halsey Street	181st Avenue	Widen to add second northbound left-turn pocket. Widen to add second southbound left-turn pocket and a southbound right-turn pocket.	Keep
4	Glisan Street	181st Avenue	Widen to add southbound and westbound right-turn pockets. Modify signal to add protected-permitted left-turn phasing.	Remove from TSP list - funded for near-term construction or constructed.
5	Division Street	182nd Avenue	Widen to add dual left-turn pockets for eastbound and westbound approaches and to extend northbound and southbound right-turn pockets. Modify signal to add protected-permitted left-turn phasing and to add right-turn overlap phasing.	Remove from TSP list - funded for near-term construction or constructed.
6	Sandy Boulevard 185th Avenue Signal	185th Avenue	Widen to add eastbound left-turn pocket. Install signal.	Remove from TSP list - funded for near-term construction or constructed.
7	Stark Street	Kane Drive	Widen to add eastbound right-turn pocket. Modify signal to add protected-permitted left-turn and overlap right-turn phasing.	Keep
8	Burnside Road	Division Street	Restripe to increase northwest-bound and southwest-bound left-turn pockets. Modify signal to add right turn overlap.	Keep
9	Halsey Street	201st Avenue	Modify signal to add protected-permitted left-turn phasing on all approaches, to install vehicle detection, and to install pedestrian push buttons for all crossings.	Keep
10	201st Avenue RR bridge	I-84	Construct new railroad bridge to accommodate motor vehicle travel lanes and the Gresham-Fairview Trail.	Remove from TSP list - funded for near-term construction or constructed.
11	Division Street	Birdsdale Avenue	Widen to add southbound right-turn pocket.	Remove from TSP list - funded for near-term construction or constructed.
12	Stark Street	202nd Avenue	Restripe to increase southbound left-turn pocket. Modify signal to add protected-permitted left-turn phasing.	Remove from TSP list - funded for near-term construction or constructed.
13	Division Street	Kane Drive	Add SB right turn lane and second EB left turn lane	Remove from TSP list - funded for near-term construction or constructed.
14	Burnside Road	Powell Boulevard	Restripe to prohibit eastbound and westbound left turns. Modify signal to add westbound right-turn overlap.	Keep
15	Burnside Road	Hogan Drive	Add second southbound left-turn pocket and second southbound through lane. Add eastbound right-turn pocket. Modify signal to remove split phasing for northbound and southbound and introduce protected-only left-turn phasing for those approaches.	Remove from TSP list - funded for near-term construction or constructed.
16	Powell Boulevard	Hogan Road	Widen Hogan Rd. to 5-lane section through the intersection. Restripe to extend eastbound left-turn pocket.	Remove from TSP list - funded for near-term construction or constructed.
17	Stark Street	Hogan Drive	Widen to add dual left-turn pockets on all approaches. Widen to add northbound right-turn pocket. Connect southbound Hogan Dr. to SE Cherry Park Rd to provide a right-turn bypass of intersection.	Partially Funded - Keep Remaining Portion on Project List
18	Palmquist Road	Fleming Avenue	Intersection widening.	Remove - no longer needed
19	Palmquist Road Intersection	Palmsblad Road	Widen Palmquist Rd. to full 3-lane section through intersection. Widen to add northbound left-turn pocket.	Keep
20	Palmquist Road Intersection	US Highway 26	Widen to add second eastbound through lane and to extend eastbound left-turn pocket. Modify signal to remove split eastbound and westbound phasing and to introduce protected-only left-turn phasing. Improvements per the Springwater Interchange Area Manga*	Remove from TSP list - funded for near-term construction or constructed.
21	SE 190th Drive Intersection	Butler Road	Install signal	Remove from TSP list - funded for near-term construction or constructed.
22	SE 190th Drive Intersection	Willow Parkway	Intersection Improvements	Remove from TSP list - funded for near-term construction or constructed.
23	Regner Rd - D.	Butler Road	Install single-lane roundabout	Keep
24	Sandy Boulevard 181st Avenue	181st Avenue	Widen Sandy Blvd. east and west of intersection to add second eastbound and westbound lane, replacing existing right-turn lanes. Widen to add dual left-turn pocket on westbound approach. Modify signal to add protected-permitted left-turn phasing.	Remove from TSP list - funded for near-term construction or constructed.
25	Powell Boulevard	182nd Avenue	Modify signal to add right-turn overlap phasing	Remove from TSP list - funded for near-term construction or constructed.
26	Orient Drive	Welch Road	Widen intersection to create a center turn lane on Orient Drive	Keep
27	Orient Drive	Chase Road	Widen intersection to create a center turn lane on Orient Drive	Remove from TSP list - funded for near-term construction or constructed.
28	Burnside Street	Stark Street	Widen to extend northwest-bound left-turn pocket	Keep
29	Burnside Street	202nd Avenue	Modify signal to add protected-permitted left-turn phasing	Keep
30	Burnside Road	Eastman Parkway	Modify signal to add protected-permitted left-turn phasing	Keep
31	Burnside Road	Main Avenue	Restripe to extend northbound left-turn pocket. Modify signal to add protected-permitted left-turn phasing.	Keep
32	Burnside Road	Kelly Avenue	Modify signal to add protected-permitted left-turn phasing	Keep
33	Burnside Road	Cleveland Avenue	Add southbound right-turn pocket. Restripe to extend northbound and southbound left-turn pockets. Modify signal to add protected- permitted left-turn phasing.	Keep
34	Burnside Road	3rd St	Intersection Improvements	Remove from TSP list - funded for near-term construction or constructed.
35	Glisan Street	202nd Avenue	Widen to add northbound and southbound left-turn pockets. Widen to add eastbound and southbound right-turn pockets. Modify signal to add protected-permitted left-turn phasing.	Remove from TSP list - funded for near-term construction or constructed.
37	Stark Street	172nd Avenue	Install signal. Restripe to add southbound left-turn pocket.	Remove - project no longer needed.
38	Stark Street	174th Avenue	Modify signal to add protected-permitted left-turn phasing	Keep

Project Number	Street	At	Description	Recommended Action
39	Stark Street	181st Avenue	Restripe to increase northbound and southbound left-turn pockets. Modify signal to add protected-permitted left-turn phasing	Keep
40	Division Street	Main Avenue	Restripe to extend northbound and southbound left-turn pockets. Modify signal to add protected-permitted left-turn phasing	Keep
41	Powell Boulevard	Eastman Parkway	Widen to add southbound right-turn pocket. Remove planted median to extend southbound left-turn pocket. Modify signal to add protected-permitted left-turn phasing	Remove - project no longer needed.
42	Powell Valley Road	Barnes Road	Widen to create a center turn lane on both Powell Valley Rd. approaches	Keep
43	Powell Valley Road	282nd Avenue	Install signal or single-lane roundabout	Keep
44	San Rafael	181st Avenue	Widen to add southbound right-turn pocket	Remove - project no longer needed.
45	Pleasant View Drive	Highland Drive	Install signal	Remove from TSP list - funded for near-term construction or constructed.
46	Towle Road	Birdsdale Drive	Remove planted median north of intersection for 50 feet to create paved refuge for two-stage left turns from Birdsdale Dr.	Remove - project no longer needed.
47	Towle Road	Butler Road	Install single-lane roundabout	Keep
48	Hogan Road	SE 5th Street	Widen Hogan Rd. to 5-lane section through intersection. Replace signal.	Keep
49	Hogan Road	Cleveland Drive	Widen Hogan Rd. to 5-lane section through intersection. Restripe to add eastbound right-turn pocket	Keep
50	Hogan Road	Butler Road	Widen Hogan Rd. to 5-lane section through intersection. Construct new westbound approach with 100-foot left-turn pocket and through lane. Restripe to add eastbound left-turn pocket.	Keep
51	Kane Drive	Palmquist Road	Modify signal to add eastbound right-turn overlap phasing	Keep
52	282nd Avenue	Lusted Road	Install signal or single-lane roundabout	Partially Funded - Keep Remaining Portion on Project List
53	282nd Avenue	Salquist Road	Widen to add left turn lane	Keep
54	Stark Street	223rd Avenue	Widen to add dual left-turn pockets on all approaches. Widen to add eastbound right-turn pocket. Widen to extend right-turn pockets on northbound, southbound, and westbound approaches. Modify signal to add right-turn overlap phasing.	Remove from TSP list - funded for near-term construction or constructed.
55	282nd Avenue	Welch Road	Widen to add left turn lane	Keep
56	Foster Road	172nd Avenue	Bridge	Keep - Update with Pleasant Valley TSP Plans.
57	Cheldelin Road	182nd Avenue	Cheldelin and 182nd	Keep - Update with Pleasant Valley TSP Plans.
58	Cheldelin Road	Foster Road	Cheldelin and Foster	Keep - Update with Pleasant Valley TSP Plans.
59	Cheldelin Road	190th Avenue	190th and Cheldelin	Keep - Update with Pleasant Valley TSP Plans.
60	Giese Road	172nd Avenue	172nd and Giese	Keep - Update with Pleasant Valley TSP Plans.
61	Foster Road	172nd Avenue	Install roundabout or traffic signal	Keep - Update with Pleasant Valley TSP Plans.
62	Cheldelin Road	172nd Avenue	172nd and Cheldelin	Keep - Update with Pleasant Valley TSP Plans.
63	Banfield Industrial Park Truck Turn- around		Construct truck turn around	Remove - project no longer needed.
64	SE 5th Street	Williams Road	Add Crosswalks.	Move to Pedestrian Project List
65	172nd Avenue	Knapp Road	Signalize intersection.	Keep - Update with Pleasant Valley TSP Plans.
66	Eastman Parkway	Division Street	Improve functioning of intersection and reduce congestion. Add second northbound and south bound left turn lanes.	Remove - project no longer needed.
67	Foster Road	Richey Road	Install roundabout or traffic signal	Keep - Update with Pleasant Valley TSP Plans.
68	Springwater Trail	Pleasant View/190th Avenue	Provide access to the Springwater Trail	Remove - project no longer needed.
69	Rockwood TC 181st lightrail station and pedestrian enhancements		Enhancements at the Rockwood Town Center/181st Avenue lightrail station, including pedestrian enhancements	Keep
70	SE 172nd	Crystal Springs Boulevard	Signalize intersection	Keep - Update with Pleasant Valley TSP Plans.
71	Glisan Street	162nd Avenue	Restripe to change northbound right-turn lane to a through lane and to extend that lane through the intersection. Modify signal to add protected-permitted left-turn phasing on all approaches.	Remove from TSP list - funded for near-term construction or constructed.
NEW	182nd Avenue	Main Street	Relocate RRFB crosswalk 100 feet north of current location. Remove median at intersection to allow for two-stage left turns from Main.	Remove from TSP list - funded for near-term construction or constructed.
NEW	282nd Avenue	Chase Road	Widen Chase to add eastbound left turn lane.	Remove from TSP list - funded for near-term construction or constructed.
NEW	Towle Road	Willow Creek Parkway	Widen Towle to add center two-way left-turn lane for dual-stage left turns from Willow Creek Parkway.	Remove from TSP list - funded for near-term construction or constructed.
