

BICYCLING
MAP AND GUIDE

GRESHAM EARNED THE LEAGUE OF AMERICAN BICYCLISTS
SILVER AWARD

95 Percentage of arterials streets with dedicated space for cyclists.

100 Percentage of natural surface trails that are open to bicyclists in Gresham.

116+ Number of miles of bike lanes.

1,000+ Number of bike helmets distributed at safety events.

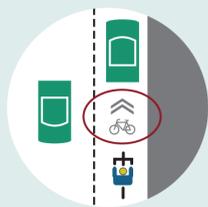

5,000 Estimated number of public and private bike parking spaces.

Gresham is the gateway to bike fun in the Columbia River Gorge and on Mt. Hood.

OBEY TRAFFIC SIGNS AND LIGHTS

SHARROWS MEAN BIKES
SHARE THE STREET WITH CARS

USE CAUTION WHEN PASSING
You may pass slowed or stopped traffic on the right only when it is safe.

BIKE TO GROCERY STORES
There are grocery stores on this map!

LOCK UP SMART
Use one of these two methods.

USE HAND SIGNALS

YIELD TO PEDESTRIANS
Provide an audible warning before you pass them.

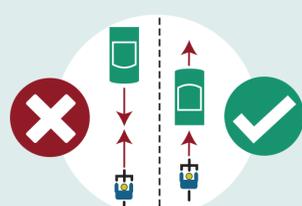

WEAR A HELMET
Bicyclists and passengers under 16 are required to wear a helmet.

BE VISIBLE
A front light and rear reflector are required by law if you ride at dusk, dawn, or night.

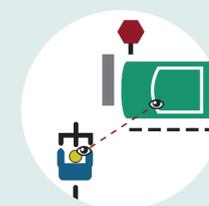

KEEP A STRAIGHT LINE
Don't weave between parked cars.

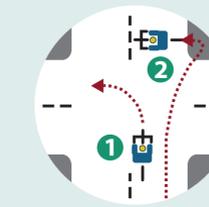

ALWAYS RIDE WITH TRAFFIC

CROSS ALL TRACKS AT A RIGHT ANGLE

WATCH FOR STOPPED VEHICLES PULLING INTO YOUR PATH

TURN CORRECTLY
There are two ways to turn left:
1. Signal and turn left from the traffic lane.
2. Keep to the right until you reach the far corner of the intersection. Cross when safe.

BICYCLES ON TRIMET

Bike or walk further using public transit. TriMet serves the Gresham area with bus and MAX light rail service.

- Bicycles are allowed on all TriMet services.
- Lock your bike at MAX stations or rent a bike locker. Call TriMet at 503-962-2104.
- Tandem, long recumbent bikes, gas powered bikes, and bikes with trailers not allowed on TriMet.
- Bikes on TriMet: www.trimet.org/howtoride/bikes
